

Implementation of the Workforce Plan

ACT Community Services Workforce Plan 2017-2020 (Workforce Plan) responds to the need for a skilled workforce to meet the growing demand for services and provide more flexible and responsive client centred care. It promotes strategies which can support shared training programs and cross skilling of workers including upskilling of volunteers. Strategies aimed at attracting and retaining appropriately qualified staff are also to be considered which could include joint marketing campaigns and other resource sharing initiatives.

Objectives

Grow the workforce to meet current and future needs

Strengthen capability and career development

Improve retention of the current workforce

Cultivate leadership and succession planning
